Cholecystoduodenal fistula presenting with upper gastrointestinal bleeding: A case report

Park JM *et al.* Cholecystoduodenal Fistula Presenting with Hematemesis

Jin Myung Park, Chang Don Kang, Ji Hyun Kim, Sang Hoon Lee, Seung-Joo Nam, Sung Chul Park, Sung Joon Lee, Seungkoo Lee

Abstract

BACKGROUND

Cholecystoduodenal fistula is a rare complication of cholelithiasis. Symptoms are usually non-specific and often indistinguishable from those of etiologic diseases, but it rarely presents as severe gastrointestinal bleeding. Bleeding associated with
