Dear Reviewers:

Thank you for considering our manuscript entitled, "Update on Negative Pressure Wound Therapy" for publication and for taking the time to review it. We have taken into account all of your comments and have made the necessary changes within the manuscript. The changes are outlined below.

Reviewer code 03626434 – We included gauze-based NPWT and further evidence under "hemostasis" as requested.

Reviewer code 02549301 - We referenced all the papers the reviewer mentioned and have added further evidence on the use of irrigational solutions.

Reviewer code 03350539 – No changes required.

If there are any further changes or if you need clarification, please let us know.

Thank you for your time.

Sincerely yours,

A handwritten signature in black ink that reads "Dennis P. Orgill". The signature is written in a cursive, flowing style.
