

Certificate Service Confirmation

March 12, 2024

To Whom It May Concern,

The Office of International Visibility of Université Côte d'Azur provided comprehensive editing services for **Manuscript no. 90025 (Psychiatric outcomes in outpatients affected by long COVID: A link between mental health and persistence of olfactory complaint)** by **Victoria Metelkina-Fernandez, Louise-Emilie Dumas, Clair Vandersteen, David Chirio, Auriane Gros, Arnaud Fernandez, Florence Askenazy, Valeria Manera**, which is under consideration for publication in your journal. The edit has achieved Grade A: priority publishing: no language polishing required after editing.

Should you require any additional information, please do not hesitate to contact me.
