

5/24/2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (edited-10379).

**Title: "Ciliated hepatic foregut cyst with high intra-cystic CA19-9 level"**

**Author:** Ben Ari Z, Cohen-Ezra O, Videnfeld J, Bradichevsky T, Weitzman E, Rimón U, Inbar Y, Amitai M, Bar-Zachai B, Eshkenazy R, Ariche A, Azoulay D

**Name of Journal:** *World Journal of Gastroenterology*

**ESPS Manuscript NO:** 10379

The manuscript has been improved according to the suggestions of reviewers:

1. Format has been updated

2. Revision has been made according to the suggestions of the reviewer

The grammatical form and English in text are very good. We have improved the English slightly and we think that the English style is very good and that we do not need a language certificate by a professional English language editing companies. Please note that we have submitted recently another manuscript (ESPS Manuscript NO: 10121 3) that was accepted for publication in the *World Journal of Gastroenterology* which I have also written and we were not asked for a language certificate by a professional English language editing companies. The number of figures was reduced to 5 as suggested by the reviewer. Figures 1 and 2 were deleted.

4. The figures' number (Figure 4 and 5) in text was corrected in order to correspond for their description in the text

5. Units of micrograms were correctly abbreviated

6. The manuscript was slightly shortened. Repeated concepts already discussed in the text were deleted

7. References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

A handwritten signature in black ink that reads 'ZIV BEN ARI'.
