**Name of Journal:** World Journal of Gastrointestinal Oncology

**ESPS Manuscript NO:** 10534

The manuscript has been improved according to the suggestions of reviewers:

- 1 Title and manuscript format has been updated.
- 2 Following revisions have been made according to the suggestions of the reviewers:
  - (1) Mechanism of action of drugs has been added/modified.
  - (2) Introduction has been modified.
  - (3) A separate paragraph for multi-drug chemotherapy has been added.
  - (4) Conclusion has been modified.
- 3 As this review was written with a view to include only those RCTs where the intervention was a synthetic drug(s) and/or a combination of synthetic drug(s) with a biological, therefore, other new agents like vaccines and monoclonal antibodies have not been included in this review.
- 4 The RCTs have been summarised in tabular form-Table 1, 2 and 3 (included as supplementary material).
- 5 References have been updated.

Thank you again for publishing our manuscript in the *World Journal of Gastrointestinal Oncology*.

Sincerely yours,
