

June 19, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 10752-edited-REVISED.doc).

Title: “The silence of the lambs”. Post myocardial infarction left ventricular wall rupture and pseudoaneurysm formation: Two cases and review of the literature

Authors: Emmanouil Petrou, Vasiliki Vartela, Anna Kostopoulou, Panagiota Georgiadou, Irene Mastorakou, Nektarios Kogerakis, Petros Sfyarakis, George Athanassopoulos, George Karatasakis

Name of Journal: *World Journal of Clinical Cases*

ESPS Manuscript NO: 10752

The manuscript has been improved according to the suggestions of reviewers:

1. Format has been updated
2. Revision has been made according to the suggestions of the reviewers:

(00070910): The role of cardiac magnetic resonance in the diagnosis and differentiation of left ventricular aneurysm and pseudoaneurysm has been added with a full paragraph in the imaging section of the paper. For that reason, the designated by the reviewer recent publication has been consulted and cited.

(00607649): The reviewer’s comment has been taken into consideration. We corrected the respective phrase.

3. References and typesetting were corrected and checked in CrossRef.
4. The edited paper has been fully revised in accordance with the embedded annotations.

Thank you again for publishing our manuscript in the *World Journal of Clinical Cases*.

Sincerely yours,

Emmanouil Petrou, MD
