Dear sir or madam,

I am writing to confirm that I have edited **Rectal ulcer: due to ketoprofen, argon plasma coagulation and prostatic brachytherapy** (MS number 11410) on behalf of Dr Thibaud Koessler. A native English speaker and a lecturer in English at the University of Lausanne, I edited the entire article and can confirm that it is now free of grammatical and linguistic errors.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Mary C. Flannery', with a large, stylized flourish at the end.
