**A Gentle Reminder:** The Baishideng Publishing Group Inc reminds all authors that instances of (1) plagiarism, (2) data fabrication and/or falsification, (3) redundant publication, and (4) misrepresentation about the qualifications for authorship are the responsibility of every author listed on a paper, *regardless of their intent of knowledge*. If an author suspects or is aware of any of these irregularities in their manuscript, it is strongly recommended that the authors immediately contact the journal and initiate withdrawal of the submission. Once a manuscript has been published online, withdrawal (retraction) of the paper due to the irregularities listed above will incur a charge of USD10,000.00 to compensate the publisher for the loss incurred. The online format of the manuscript will be withdrawn within four weeks of the request.
