

Language Certificate

Dear Editor,

Glad to have the chance to revise our manuscript. We believe that our manuscript (No.11523) has possibly reached language grade A. The following is some evidence:

1. The authors in this manuscript, Yafeng Dong, is from Department of Department of Obstetrics and Gynecology, University of Kansas School of Medicine, Kansas 66160, USA. He's very experienced in English research writing. Some of this manuscript were written and revised by Dr. Yafeng Dong himself for several times, to meet the language meeting of WJG.

2. We have asked Dr. Lei Zhou from Harvard Medical School (Assistant Investigator, Beth Israel Deaconess Medical Center, Email: lzhou2@bidmc.harvard.edu) to revise this manuscript again.

3. As one of the authors in this manuscript, **Xinsen Xu** have published one article in the WJG (*World J Gastroenterol.* 2012;18(48):7242-7250) without revision of the professional companies , and he took part in the writing of this paper.

So I think our manuscript have reached your criteria, and I am looking forward to your appreciation so as to publish this paper in *World Journal of Gastroenterology*.

Your sincerely
