

August 26, 2014

Dear Editor and reviewers,

Please find enclosed the edited manuscript in Word format (file name: Franceschini and Adinolfi revised)..

**Title:** P2X receptors: new players in cancer pain

**Authors:** Franceschini Alessia and Adinolfi Elena

**Name of Journal:** *World Journal of Biological Chemistry*

**ESPS Manuscript NO:** 11557

We would like to thank the Reviewers and Editor for their kind comments and suggestions that we are sure have ameliorated our manuscript.

The manuscript has been improved according to suggestions of reviewers, format has been updated, references and typesetting were corrected.

As requested by reviewer 00945081, we mentioned in the "ATP and P2X receptors in tumor" page 7 line 24 the participation of P2Y receptors in tumor progression. We also modified figure legends as required by the same reviewer.

Typeset changes required by reviewer 00225310 have been incorporated and the text has been thoroughly checked for other typos. The conclusions sequence has been rephrased.

We hope that the manuscript could be acceptable for publication on *World Journal of Biological Chemistry* in current version.

Tanking you again for the opportunity to publish on *World Journal of Biological Chemistry*

Sincerely yours,

Elena Adinolfi

A handwritten signature in black ink, appearing to read 'Elena Adinolfi', written in a cursive style.

Dr. Elena Adinolfi PhD.
