### Reviewer's 1 opinion

All authors should conduct the minor language revision

### Authors' answers

According to your suggestion, the final variant of the paper was polished by the SPI Global Professional Editing Service – we have also mentioned their contribution in the Acknowledgment.

### Reviewer's 2 opinion

I have revised the manuscript entitled "Mixed adenoneuroendocrine carcinoma (MANEC) of gastrointestinal tract: report of two cases and review of the literature". In my opinion should be accepted for publication, and I have any comment to do.

### Authors' answers

Thank you for your positive answer.
