

COPYRIGHT ASSIGNMENT

Application for copyright transfer will be made by written declaration and attestation of the following:

- 1 The manuscript is not simultaneously being considered by other journals or already published elsewhere.
- 2 The manuscript has no redundant publication, plagiarism, or data fabrication or falsification.
- 3 The author/s has/have no conflict of interest related to the manuscript.
- 4 All experiments involving animals and human subjects were designed and performed in compliance with the relevant laws regarding the humane care and use of subjects.
- 5 The material contained within the manuscript is original, with all information from other sources appropriately referenced. Written specific permission granted by any existing copyright holders prior to publication is clearly cited and available.
- 6 The author/s agree to transfer to Baishideng Publishing Group Inc exclusive copyright ownership for all formats of the manuscript (including print and electronic formats, English and non-English language formats, and subsequent editions such as Erratum), in addition to all rights for (1) granting permission to republish or reprint the materials in whole or in part, with or without a fee; (2) printing copies for free distribution or for sale; and (3) republishing the materials in a compendium or in any other format. The author/s acknowledge that the Baishideng Publishing Group Inc distributes the manuscript under the terms of the Creative Commons Attribution-NonCommercial License, which permits use, distribution, and reproduction in any medium, provided that the original work is properly cited, the use is non-commercial and is otherwise in compliance with the license.
- 7 There are no errors in grammar, syntax, spelling, punctuation, or logic.
- 8 All figures and tables have been correctly placed and clearly identified, and meet the journal's standards of high-resolution quality.
- 9 The references are numbered according to their order of appearance in the main text of the manuscript.

Title: Oxidative stress and inflammatory signaling in cerulein pancreatitis

Author: Ji Hoon Yu and Hyeyoung Kim
