

## Certification

---

Dear Editor:

Enclosed is a manuscript entitled "A comparative study of mutations in the SNP loci of K-RAS, hMLH1 and hMSH2 genes from Neoplastic Intestinal Polyps and colorectal cancers."

As a professional English editing company ([www.mogoedit.com](http://www.mogoedit.com)), we certify that this manuscript was edited and revised by our native English editor, and the grammar, spelling and punctuation have all been updated and verified. Further, we believe that the language in this paper has achieved the requirements of academic journals. If you have further questions, please feel free to contact us at [support@mogoedit.com](mailto:support@mogoedit.com).

Yours sincerely,

CEO

Mogo Internet Technology Co., LTD.
