

Dear Editor

I promise that the language of my manuscript has reached or exceeded Grade A.

Thank you for your attention.

Best regards,

Jae-Hyun Kim, Kosin, Department of Gastroenterology, Kosin University College of  
Medicine, Busan, Korea

The handwritten signature of Jae-Hyun Kim is written in black ink. It consists of two parts: a stylized, cursive 'JH' followed by the full name 'Jae Hyun' in a more legible, slightly cursive script. The signature is positioned at the bottom of the letter, below the printed name and affiliation.
