

September 2, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 12246-review.doc).

Title: Pharmacological role of efflux transporters: Clinical implications for medication use during breastfeeding

Author: Hilai Ahmadzai, Lisa BG Tee, Andrew Crowe

Name of Journal: *World Journal of Pharmacology*

ESPS Manuscript NO: 12246

The manuscript has been improved according to the suggestions of reviewers:

1. Format has been updated as per the requirements of the journal:
 - a. Title reduced to 12 words
 - b. Running title provided
 - c. Core tip provided
 - d. Key words provided
 - e. References formatted
2. Revision has been made according to the suggestions of the reviewer:
 - a. References 44, 45, 10 and 68 (original document) amended to avoid duplication
 - b. Reference added as per reviewers suggestion (Drug excretion into breast milk--overview. Ito S, Lee A. Adv Drug Deliv Rev. 2003 Apr 29;55(5):617-27.)
 - c. Amended in text referencing related to reference 79 (current document) as P-gp was incorrectly typed as BCRP.
 - d. Exhaustive editing of language, grammar and format was carried out to improve presentation and flow.
3. References and typesetting were corrected:
 - a. Referencing style amended, square brackets and super scripted as per the requirements of the journal.
 - b. PubMed citation numbers and DOI citation added to the reference list.
 - c. Reference list margins changed as per the requirements of the journal.

Thank you again for publishing our manuscript in the *World Journal of Pharmacology*.

Sincerely yours,

A handwritten signature in black ink, appearing to be 'A. Crowe', with a long horizontal stroke extending to the right.
