Special statement

the materials in a compendium or in any other form

7 That the author(s) acknowledge that all articles published by Baishideng Publishing Group Inc are selected by an in-house editor and fully peer reviewed. Baishideng Publishing Group Inc applies the Creative Commons (CC BY-NC 4.0) license, which permits others to reuse this work non-commercially, and license their own work under the same license provided the original work is properly cited and the following URL is provided: <http://creativecommons.org/licenses/by-nc/4.0/>

8 That the author(s) agree to publish the related documents, including the peer review report, CrossCheck report, signed copyright assignment, at the same time that the manuscript is published online.

9 That there are no errors in grammar, syntax, spelling, or punctuation.

10 That all figures and tables have been correctly prepared and meet the journal's standards of high-resolution quality.

11 That the references are numbered according to the order of their appearance in the manuscript.

This declaration must be signed by all authors, including the corresponding author, in handwriting, following the order of the authors' names in the manuscript.

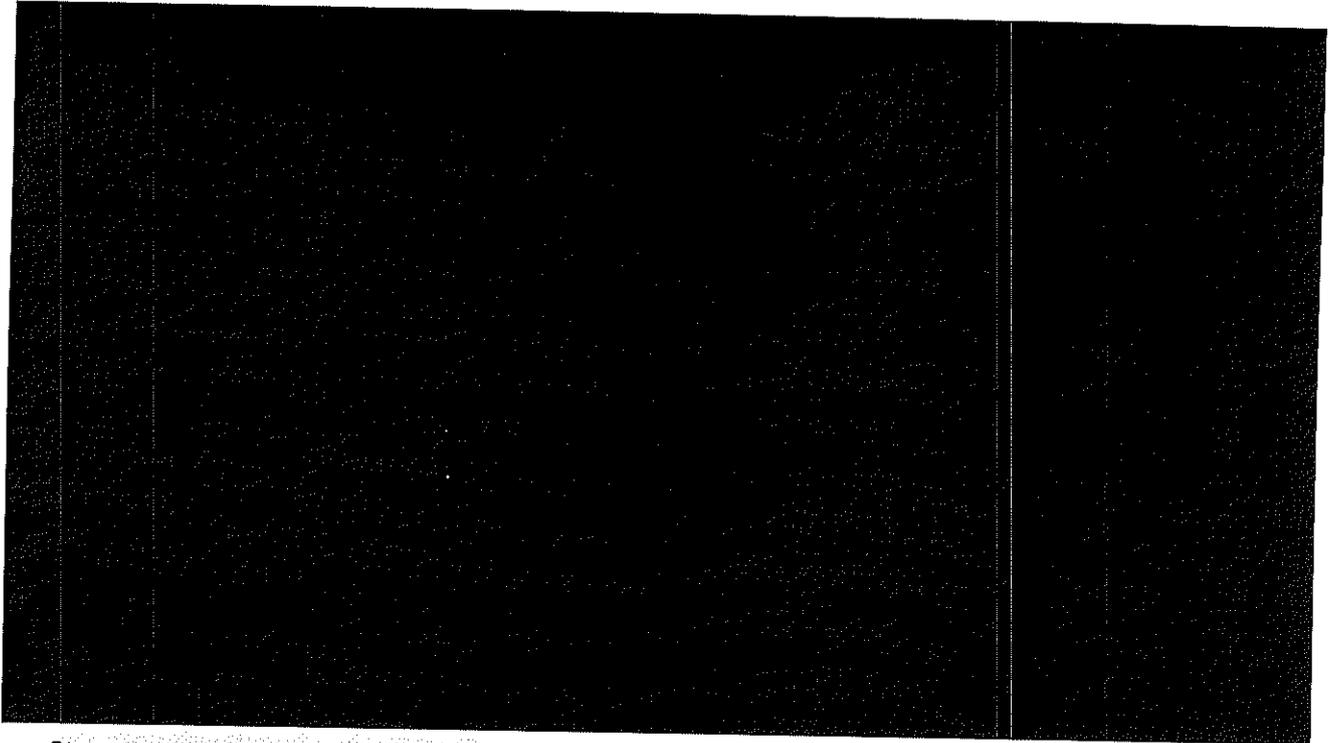

Note: Each manuscript published in the *World Series of Journals* must have one and only one corresponding author. Designation of multiple corresponding authors is not permitted.

A gentle reminder: The Baishideng Publishing Group Inc prohibits authors from engaging in (1) plagiarism; (2) data fabrication and/or falsification; (3) misrepresentation about the qualifications for a corresponding author listed on a paper, *regardless of their intent*; and (4) misrepresentation about the qualifications for a co-author listed on a paper, *regardless of their intent*. If authors are aware of any of these irregularities in their manuscripts, they should immediately contact the journal and initiate a withdrawal. If a manuscript has been published online, withdrawal of the manuscript will incur a charge of USD 1000 for the loss incurred. The online format of the manuscript will be restored within 2-4 weeks of the request.

The following should be noted when all authors submit a manuscript:

1 Authors are prohibited from making any changes to the manuscript after the submission. Baishideng Publishing Group Inc reserves the right to publish the manuscript under a Creative Commons Attribution-NonCommercial 4.0 International License (CC BY-NC 4.0) without the authors' consent. If authors have any different opinion about the copyright assignment, they should contact the editorial office before making any changes.

2 All authors will sign their names on a single page at the end of the manuscript; multiple signature pages are not allowed. If authors have signed, please return the signed version (in PDF for printed version of the copyright transfer agreement) to the editorial office. A signed version of the copyright transfer agreement is not acceptable. This agreement will be published with the article.

November 13, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 12290-review.doc).

Title: The role of radiotherapy in the pre-operative management of carcinoma of the esophagus

Author: Bryan Burmeister

Name of Journal: *World Journal of Gastroenterology*

ESPS Manuscript NO: 12290

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

- (1) The running title has been added
- (2) My contact details have been updated on page 1.
- (3) The core tip has been added.
- (4) The format for reference numbering has been changed
- (5) The p value at the end of the paragraph entitled "Radiotherapy plus surgery versus surgery alone" has been changed from 0.6 to 0.06

3 References and typesetting were corrected

Thank you again for publishing my manuscript in the *World Journal of Gastroenterology*.

A handwritten signature in black ink, appearing to read 'Bryan Burmeister'.
