

August 21, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 12750-edited.docx).

Title: Possible contribution of (pro)renin receptor to development of gestational diabetes mellitus.

Author: Kanako Bokuda, Atsuhiko Ichihara

Name of Journal: *World Journal of Diabetes*

ESPS Manuscript NO: 12750

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

(1) According to peer-reviewer's comment, we made suggestions on the design of studies that could provide direct evidence on the pathogenetic role of (P)RR-mediated fetal-maternal interaction in GDM.

(2) According to peer-reviewer's comment, we replaced "b-cell" with " β -cell".

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,
