

October 16, 2014

Dear Editor,

Please find enclosed the edited manuscript in word format (file name: 12808-review)

Title: Giant GIST of rare sarcomatoid epithelioid subtype: case report and literature review.

Authors: Gustaw Lech, Wojciech Korcz, Emilia Kowalczyk, Tomasz Guzel, Marcin Radoch, Ireneusz Wojciech Krasnodębski

Name of Journal: World Journal of Gastroenterology

ESPS Manuscript No: 12808

The manuscript has been improved according to the suggestions of the reviewers:

1. Format has been updated
2. Revision has been made according to the suggestions of the reviewer
 - (1) I appreciate very much your remark concerning the role of chemotherapy. The revised version of manuscript has been completed in accordance with your comment.
 - (2) I appreciate very much your comment note on treatment options in non-resectable / disseminated GISTs. In the revised version of paper has been added short paragraph concerning this problem.

Thank you very much for publishing our manuscript in the World Journal of Gastroenterology.

Yours sincerely,

Gustaw Lech MD, PhD
