

## Format for ANSWERING REVIEWERS

September 24, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 12878-review.docx).

**Title:** How do resident stem cells repair the damaged myocardium?

**Author:** Emiko Hayashi, Toru Hosoda

**Name of Journal:** *World Journal of Stem Cells*

**ESPS Manuscript NO:** 12878

The manuscript has been improved according to the suggestions of reviewers:

1 Page and line numbers have been assigned for an easy reviewing process.

2 Revision has been made according to the suggestions of the reviewer #00227622

(1) The limitation of the discussed clinical trials and thereby this article has been clarified at the beginning of the "PERSPECTIVE" section on page 8.

3 A major language polishing has been performed intensively and adequately in order to reach the journal's standard and also to diminish the significant similarity to any other publications. Please refer to the markup file to see all the alterations.

Thank you again for considering our manuscript for potential publication in the *World Journal of Stem Cells*.

Sincerely yours,

Toru Hosoda, MD, PhD
