

## Format for ANSWERING REVIEWERS

December 22th, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 13641-revised.doc).

**Title:** Hepatitis C virus: Virology, diagnosis and treatment

**Author:** Hui-Chun Li, Shih-Yen Lo

**Name of Journal:** *World Journal of Hepatology*

**ESPS Manuscript NO:** 13641

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewers:

1. **Reviewed by 02242399:** This paper is well written and all the figures are well comprehensive.

(Response: Thanks for the comment.)

2. **Reviewed by 00041468:** In the review article of H-C Li and S-Y Lo the authors aimed to summarize the up-to-date knowledge about HCV infection's clinical aspects. The review is well written, comprehensive, the used data are up-to-date. The authors comment the diagnostic and therapeutic modalities in a moderate, objective way. Figures help the understanding of the topic. I suggest to accept the manuscript for publication in WJH.

(Response: Thanks for the comment.)

3. Revision also based on the suggestions of the science editor: We re-write the sentences but not the content, please refer to the file "13641-revised (tracked).doc" to meet the requirements of *crosscheck*.

4. Revision also based on the suggestions from file "13641-edited" (pdf). The number of the words in the abstract is reduced. "Core tip", keywords and running title are included.

Thank you again for publishing our manuscript in the *World Journal of Hepatology*.

Sincerely yours,

Shih-Yen Lo
