4 That the manuscript is a review article and does not involve any work on animals and human subjects for which ethical clearance is sought.

5 That the material contained within the manuscript is original, with all information from other sources appropriately referenced. Written specific permission granted by any existing copyright holders prior to publication is clearly cited and available.

6 That the authors agree to transfer to Baishideng Publishing Group Inc exclusive copyright ownership for all formats of the manuscript (including print and electronic formats, English and non-English language formats, and subsequent editions such as Erratum), in addition to all rights for (1) granting permission to republish or reprint the materials in whole or in part, with or without a fee; (2) printing copies for free distribution or for sale; and (3) republishing the materials in a compendium or in any other format. The author/s acknowledge that the Baishideng Publishing Group Inc distributes the manuscript under the terms of the Creative Commons Attribution-NonCommercial License, which permits use, distribution, and reproduction in any medium, provided that the original work is properly cited, the use is non-commercial and is otherwise in compliance with the license.

7 That the authors agree to publish the related documents (peer review report, answering reviewers, CrossCheck report, signed copyright assignment, etc.) of the manuscripts at the same time the manuscript is published online.

8 That there are no errors in grammar, syntax, spelling, punctuation, or logic.

9 That all figures and tables have been correctly placed and clearly identified, and meet

the journal's standards of high-resolution quality.

10 That the references are numbered according to their order of appearance in the main text of the manuscript.

The declaration is signed by all authors individually and in his/her own handwriting, following the order of the author's names appearing on the title page of the manuscript.
