Re: Conflict-of-interest statement

Article Title: Antiviral Therapies for HBV-related Hepatocellular Carcinoma

Authors: Yuanqing Zhang, Jinsheng Guo

ESPS Manuscript NO: 13901

To the editor:

This letter formally indicates that the authors of the article entitled “Antiviral Therapies for HBV-related Hepatocellular Carcinoma” (Ms. No. 13901), which is currently under consideration for publication by *World Journal of Gastroenterology*, have nothing to report for the potential conflict of interest. The authors are employee or student of Zhong Shan Hospital, Fu Dan University, and supported by Nature Science of P. R. China (No. 30570825, 81070340, 91129705).

Sincerely yours

Jinsheng GUO
