

Dec 23, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: ESPSManuscript No 14592-Review.doc).

Title: Transcranial Doppler Screening in Sickle Cell Disease: The Implications of using Peak Systolic Criteria

Author: Lena N Naffaa, MD, Yasmeen K Tandon, MD, Neville Irani MD

Name of Journal: *World Journal of Radiology*

ESPS Manuscript NO: 14592

The manuscript has been improved according to the suggestions of reviewers:

1. Table headings have been repositioned above the table.
2. Sensitivity and specificity values have been written as a footnote with each table
3. Ethics approval statement, informed consent statement, conflict-of-interest statement, and data sharing statement have been added to the title page
4. In the material and methods section, statement on biostatistics was added.

Thank you again for publishing our manuscript in the *World Journal of Radiology*.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'Lena Naffaa', with a long horizontal flourish extending to the right.
