

Bergamo, 5th April 2013

Dear Editor,

We revised for English appropriateness the manuscript "Anesthetic management of cytoreductive surgery and hyperthermic intraperitoneal chemotherapy procedures", manuscript number 1466. This manuscript is under revision from the World Journal of Obstetrics and Gynecology.

We certify that the manuscript reached after our revision, comments and suggestion a Grade A (i.e. priority publishing) as defined in your guidelines to the authors.

Thank you for the opportunity to work with this new journal and to be part of this editorial special series.

Best regards,

Dr Francesca Torresan,
