Institutional animal care and use committee statement

Commentaire [微软用户1]: Any article describing a study (basic research) involving animal subjects is required to have the institutional animal care and use committee (IACUC)'s institution name (such as the Genovese Institute) and protocol number (such as 14-9347-39G or EN-21549) stated explicitly in the title page section. In addition, a copy of any approval document(s)/letter(s) or waiver should be provided to the BPG in PDF format.
