

November 21, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 14834-review.doc).

Title: Faecal stream diversion and cytokines in collagenous colitis: A case report.

Authors: Niki Daferera, Ashok Kumar Kumawat, Elisabeth Hultgren- Hörnquist, Simone Ignatova, Magnus Ström, Andreas Münch.

Name of Journal: World Journal of Gastroenterology

ESPS Manuscript NO: 14834

The manuscript has been improved according to the suggestions of reviewers:

1 A language editing company has been used to polish the English language and a language certificate is provided.(attached)

2 Revision has been made according to the suggestions of the reviewers:

(1) Author names are given first, then the complete name of institution, city, province and postcode.

(2) Each author's contributions to the article are provided.

(3) Only one corresponding author's corresponding address is provided.

(4) A core tip was included.

(5) An informative, unstructured abstract of no less than 150 words accompanies the manuscript.

(6) A writing requirement for each subsection is provided to accompany the case study.

Thank you again for considering publishing our manuscript in the World Journal of Gastroenterology.

Sincerely yours,

Daferera, Niki
