

Bogotá, November 21, 2014

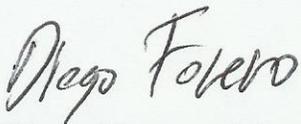

Dear Prof. Shekhar:

We are submitting the revised version of our original manuscript "**Neuropsychiatric genetics in developing countries: Current challenges**", in the category of Invited Editorial (Number 14996) to *the World Journal of Psychiatry*

We state that the authors of this manuscript do not report conflicts of interest.

The material contained in the manuscript has not been published or submitted for publication elsewhere. The final manuscript has been approved by all authors. We followed in detail the Instructions for Authors of *World Journal of Psychiatry*.

Sincerely

Diego Forero, MD, PhD

Associate Professor

Director, Laboratory of NeuroPsychiatric Genetics
