Title: Neuropsychiatric genetics in developing countries: Current challenges

Author: Diego A Forero, Alberto Vélez-van-Meerbeke, Smita N Deshpande, Humberto Nicolini, George Perry

Name of Journal: *World Journal of Psychiatry*

ESPS Manuscript NO: 14996

The manuscript has been improved according to the suggestions of reviewers and editor:

1 Format has been updated. Core tip and Conflict of Interest sections were added. Details of Phone and Fax numbers and Postal code were added. It was highlighted in blue in the revised manuscript

2 Revision has been made according to the suggestions of the reviewer

(1) *"This paper describes in brief the current challenges for the development of genetic research in neuropsychiatry in Low and Middle Income countries. It is a well-written and I have no critical comments. Minor point "Research ON the areas" should read "Research IN the areas" throughout the paper"*

Answer: We appreciate the reviewer's comments. It was corrected on the revised manuscript (pages 2, 3 and 6) and highlighted in blue.

(2) *" I really liked your Editorial. I do not have any other comments "*

Answer: We appreciate the reviewer's comments.

3 References were corrected (PMIDs and DOIs were added to all references).

Thank you again for publishing our manuscript in the *World Journal of Psychiatry*

Sincerely

A handwritten signature in grey ink that reads 'Diego Forero'.
