

## Biostatistics statement

World Journal of Gastroenterology

ESPS Manuscript NO: 15325

**Relevance of low viral load in hemodialysed patients with chronic hepatitis C virus infection**

Authors: Jan Sperl, Sona Frankova, Renata Senkerikova, Magdalena Neroldova, Vaclav Hejda, Miroslava Volfova, Dusan Merta, Ondrej Viklicky, Julius Spicak, Milan Jirsa

Dear Editors,

My name is Dusan Merta and I am the biostatistician at Department of Anesthesiology, Resuscitation and Intensive Care of the Institute for Clinical and Experimental Medicine in Prague, Czech Republic.

This letter is to confirm that I performed the statistical analysis of the data used in the above-mentioned manuscript.

With best regards

Dusan Merta, M.D., M.Sc.
