Dear Editor,
Dear Baishideng Publishing Group,

In accordance with the reviewers' comments, we have made the necessary changes to our manuscript: "From variome to phenome: Pathogenesis, diagnosis and management of ectopic mineralization disorders (ESPS Manuscript NO. 15578)", submitted to the *World Journal of Clinical Cases*. We now believe that our manuscript has reached Grade A of the language evaluation.

Yours faithfully

Eva Y.G. De Vilder, MD
