Dear Editor, Ya-Juan Ma,
Science Editor, Editorial Office
Baishideng Publishing Group Inc
World Journal of Gastroenterology

I am writing regard to the article entitled "**Hepatoprotective effect of *Geranium schiedeanum* against ethanol toxicity during liver regeneration**" and note that the statistical methods applied of this study were Student's T-Test and the ANOVA test. The mentioned analyses were reviewed by Tomás Fregoso Aguilar, PhD, President of the academy of physiology from National School of Biological Sciences in National Polytechnic Institute. I declare that the statistics of the above mentioned article were checked.

Please feel free to contact me if you have any questions.

Respectfully

Tomás Fregoso Aguilar, PhD,
President of the academy of physiology
National School of Biological Sciences
National Polytechnic Institute
