Conflict of interest statement

We hereby confirm that authors have no conflict of interest regarding the study.

All authors have fulfilled the criteria of authorship and seen and approved the final version of the manuscript and they have authorized the first author to grant on behalf of all authors to transfer exclusive copyright to *World Journal of Gastroenterology* in case of acceptance.

We do hope that the new data presented could be of interest to the readers of the *World Journal of Gastroenterology*.

Sincerely yours,

With kind regards,

The image shows a handwritten signature in black ink. It consists of two distinct, stylized cursive marks side-by-side. The first mark is a looped 'L' shape, and the second is a more complex, rounded shape that could be interpreted as a 'P' or a stylized 'A'. The signature is written on a plain white background.
