Sir,

Kindly refer to the extramural project entitled "A-12: PGI/EP/EC/40/7/11/2007 "Immune events, transcriptomics and biomarkers in hepatitis E pathogenesis", sponsored by ICGEB. The 40th institutional ethics committee in its meeting held on 7th November, 2007, has taken the following decisions:

The committee approved the above project from ethics point of view, with the following conditions:

- i) There should be PIS in Hindi version.
- ii) Detail proposal should be submitted by the PI.
- iii) There should be Case Report form.
- iv) CF should mention relationship to the patient in case of legally acceptable representative.

Therefore, you are requested to kindly submit the above clarifications within two weeks time to the Research Cell.
