Re: Manuscript ID: 16829: Language quality gurantee

Dear sir,

I certify that I am very well versed in English. My English skills are attested by the fact that I attained a score of 8.5 on the International English Language Testing System (IELTS) which is graded on a scale of 0 to 9.0. I have reviewed the English language used in the manuscript, and find it fully understandable. I therefore guarantee the quality of its language.

Sincerely,

Rakesh Aggarwal
