

## Format for ANSWERING REVIEWERS

May 11, 2015

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 16923-revised.docx).

**Title:** Perspectives in the treatment of pancreatic adenocarcinoma

**Author:** Angel Cid-Arregui and Victoria Juarez

**Name of Journal:** *World Journal of Gastroenterology*

**ESPS Manuscript NO:** 16923

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewers

We are very grateful to both reviewers for their critical reading of the MS and their helpful comments, suggestions and corrections.

**Reviewer 02544545**

- 1) While we appreciate the suggestion, imaging techniques are out of the scope of this review.
- 2) The three references have been eliminated and substituted by Fernandez, 2011 and Eser 2014.
- 3) The mistake about axitinib on p18 has been corrected.

**Reviewer 03060882**

- 1) The study of Wolpin 2014 has been cited and commented to illustrate the genetic risk due to SNPs.
- 2) On p6 it has been mentioned that the PDL1 study was made in a mouse model of PDAC
- 3) The numbers were added in most cases, wherever it made sense, trying to avoid excess of information
- 4) The staging nomenclature has been explained and a reference for it has been included
- 5) The saturation of SPARC in the mouse model is now explained and the ref. Neesse 2014 included
- 6) The data on median survival of the patients on p23 has been added

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

Angel Cid-Arregui, MD, PhD
