

April 23, 2015

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 17643-review.doc).

Title: Laparoscopy-assisted distal gastrectomy for advanced gastric cancer with situs inversus totalis: A case report

Author: Minfeng Ye, Feng Tao, Guangen Xu, Aijing Sun

Name of Journal: *World Journal of Gastroenterology*

ESPS Manuscript NO: 17643

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

(1) The manuscript was sent to a English language editing company (American Journal Experts) for revision, and the recommendation letter has been submitted.

(2) We reviewed the literatures and reference again, and add some new information about new cases which were reported in English; we didn't mentioned all these cases here because several cases were wrote in Japan and Korea language and some original resource was missing.

(3) We completed the "comment" part as you asked, and all figures were re-edited as request.

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

Minfeng Ye, MD
