

Conflict-of-Interest Statement:

I confirm that the manuscript is original and has not been published elsewhere. Nor is it sent to any other journals for consideration. The manuscript in its submitted form has been read and approved by all authors. There is no financial relationship between any author and any commercial firm(s), which may pose a potential, perceived, or real conflict of interest.

Corresponding Author

Dr. Rahul Kathariya MDS, (Ph.D)

A handwritten signature in black ink, appearing to read 'Rahul Kathariya', with a horizontal line drawn underneath it.
