CONFLICT OF INTEREST STATEMENT

Gastroenterologist Perceptions of Faecal Microbiota Transplantation (Manuscript No 17929)

Paramsothy S, Walsh AJ, Samuel D, Bogaerde JV, Leong RWL, Connor S, Ng W, Mitchell HM, Kaakoush NO and Kamm MA have no financial or potential competing interest or affiliation with any institution, organization, or company relating to the manuscript.

Borody T has an interest in the Centre for Digestive Diseases, where faecal microbiota transplantation is a treatment option for patients and has filed patents in this field.

Regards

Michael Kamm.

Professor of Gastroenterology
