

**LANGUAGE EVALUATION FOR MANUSCRIPTS SUBMITTED BY
NONNATIVE SPEAKERS OF ENGLISH**

The language of the manuscript was classified by the two peer reviewers as grade A for one (No 2534290) and grade B for the other (No 02544712).

The manuscript's language was reviewed and checked for errors by a Doctor in our center who is an English native speaker. Minor language errors were corrected.

We believe that the language of our manuscript has reached Grade A without the need for employing a professional editing service, and we choose to sign a personal guarantee for the language presentation.

Sincerely yours,
Mélanie Dos Santos
