Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 18183-review.doc).

Title: Dynamic Role of Myofibroblasts in Oral Lesions

Author: Neeta Bagul, Anjali Ganjre, SN Ghoriawala, Rahul Kathariya, Sushant Dusane

Name of Journal: *World Journal of Clinical Oncology*

ESPS Manuscript NO: 18183

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

- i. For manuscripts submitted by non-native speakers of English, please provided language certificate by professional English language editing companies. **Provided.**
- ii. A conflict-of-interest statement is required for all article and study types. In the interests of transparency and helping reviewers to assess any potential bias in a study's design, interpretation of it results or presentation of its scientific/medical content, the BPG requires all authors of each paper to declare any conflicting interests (including but not limited to commercial, personal, political, intellectual, or religious interests) in the title page that are related to the work submitted for consideration of publication. In addition, reviewers are required to indicate any potential conflicting interests they might have related to any particular paper they are asked to review, and a copy of signed statement should be provided to the BPG in PDF format. **Provided**
- iii. An informative, unstructured abstract of no less than 200 words should accompany each manuscript. **6 KEYWORDS. Provided**
- iv. Please write a summary of no more than 100 words to present the core content of your manuscript, highlighting the most innovative and important findings and/or arguments. The purpose of the Core Tip is to attract readers' interest for reading the full version of your article and increasing the impact of your article in your field of study. **Provided**
- v. Please offer the audio core tip, the requirment are as follows: In order to attract readers to read your full-text article, we request that the first author make an audio file describing your final core tip. This audio file will be published online, along with your article. Please submit audio files according to the following specifications: **Acceptable file formats:** .mp3, .wav, or .aiff **Maximum file size:** 10 MB. To achieve the best quality, when saving audio files as an mp3, use a setting of 256 kbps or higher for stereo or 128 kbps or higher for mono. Sampling rate should be either 44.1 kHz or 48 kHz. Bit rate should be either 16 or 24 bit. To avoid audible clipping noise, please make sure that audio levels do not exceed 0 dBFS. **Provided**
- vi. Please add PubMed citation numbers and DOI citation to the reference list and list all authors. Pleasend provide PubMed citation numbers for the reference list, e.g. PMID and DOI, which can be found at

<http://www.ncbi.nlm.nih.gov/sites/entrez?db=pubmed> and <http://www.crossref.org/SimpleTextQuery/>, respectively. The numbers will be used in the E-version of this journal. Thanks very much for your co-operation. Such as: 1 **Nayak S**, Rath S, Kar BR. Mucous membrane graft for cicatricial ectropion in lamellar ichthyosis: an approach revisited. *Ophthal Plast Reconstr Surg* 2011: e155-e156 [PMID: 21346670 DOI: 10.1097/IOP.0b013e3182082f4e] **Added**

- vii. Would you please provide the decomposable figure, whose parts are movable and words can be edited. **Provided**

3 All references and typesetting are corrected
