

Acknowledgement Letter Not Human Subject Research NHR

To Jon Cardinal
From WVU Office of Research Integrity and Compliance
Approval Period 09/04/2014 **Expiration Date** 09/03/2019
Subject **Not Human Subject Research Acknowledgment**
Protocol Number 1409419060
Title Littoral Cell Angioma: A case report

Thank you for your submission to the West Virginia University Institutional Review Board IRB.

It has been determined that your project does not meet the definition of human subject research for the following reasons:

The Office of Research Integrity and Compliance is here to provide assistance to you from the initial submission of an IRB protocol to its approval and all subsequent activity. Please feel free to contact us by phone at 304.293.7073 with any question you may have. Thank you.
