

Dear editors,

We have revised the manuscript as suggested.

All the questions are answered as listed.

- a) The manuscript is resubmitted in doc. Format
- b) The language edition was completed by professional editing company (formal letter attached)
- c) The postcode is added on the title page.
- d) The corresponding author address is corrected to Dr. Yin-Cheng Huang
- e) Declaration for no conflict-of interest is added on the title page
- f) All references numbers are adjusted with endnote style
- g) The output style is corrected according to the editor's kind suggestions
- h) In table 1, there was no split of table. We provided word file in this revision.
- i) In figure 1 and 2, the file is provided as powerpoint file in the revision

We sincerely hope this revision will met the high quality of *World Journal of Gastroenterology*.

Yin-Cheng Huang, M.D., Ph. D.,
