To Whom It May Concern:

This letter confirms that Suzan Elnaghi submitted a manuscript to Sibia Proofreading for professional editing and proofreading services. The manuscript, "Hepatitis C Genotype 4: The Past, Present, and Future," was authored by Suzan Elnaghi. A redline version of this document, indicating the editor's suggested changes and comments, was returned to Suzan Elnaghi for her review, so she could choose to accept or reject the tracked changes.

Sincerely,

The Sibia Proofreading Team
