### Answering reviewers

To Reviewers

Thank you very much for your careful and valuable comments. With regard to the changes that you suggested, we have incorporated into our revision. We believe that these modifications make you easy to follow the context of the revised manuscript.

Point 1: We attached COI files.

Point 2: We also attached Audio Core Tip.

Point 3: We improved references to erase the overlapping literature.

Thank you for your consideration. I look forward to hearing from you.
