Dr. Ya-Juan Ma
Scientific Editor
World Journal of Gastroenterology

Dear Dr. Ma and the Editorial Review Board.

We thank the reviewers and editors for the comments on our manuscript. We believe that these changes have improved the manuscript. Below, we address each of the comments in a point-by-point manner. A revised manuscript has been uploaded in track changes mode so that the editors may verify that the changes are adequate.

1) Cover Page-Running Title:

A running title (same as the actual title) has been entered on the cover page "autoimmune pancreatitis and cholangitis"

2) Cover Page-Author Contributions:

The specific contributions (equal participation in literature review, figure preparation, and paper composition) has been indicated on the cover page.

3) Conflicts of Interest:

The authors have no conflicts of interest this has been indicated on the cover page.

4) Cover Page-corresponding author address:

The key elements of the Corresponding author's address have been clarified.

5) Audio Core Tip:

A file containing the audio core tip has been uploaded into the journal's submission system.

6) Figures Editing:

We have edited the figures to remove unnecessary lines and other distractions as advised. Their appearance is significantly improved.

Additionally we have submitted the CROSS CHECK confirmation, GOOGLE SCHOLAR search, COPYRIGHT RELEASE needed for this publication.

We again appreciate you careful review and consideration of our manuscript.

Sincerely Yours,

Niraj Jani and James Buxbaum
