Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: ESPS Manuscript 1931-review.doc).

Title: Mini-loop ligation of a bleeding duodenal Dieulafoy's lesion

Author: Marija Gomerčić Palčić, Neven Ljubičić

Name of Journal: *World Journal of Gastroenterology*

ESPS Manuscript NO: 1931

The manuscript has been improved according to the suggestions of reviewers:

1 Linguistic improvement was made and format updated.

2 Revision has been made according to the suggestions of the reviewer

(1) We mentioned in core tip and case report section, that on a two month follow-up endoscopy no ulceration at the sight was seen.

Discussion was shortened by 25%.

We mentioned in core tip and discussion section, that more case reports with longer follow-up are needed due to existence of aberrant artery and therefore risk of rebleeding.

(2) Requested reference ("Loffroy R, Guiu B. Role of transcatheter arterial embolization for massive bleeding from gastroduodenal ulcers. *World J Gastroenterol* 2009;15(47):5889-97") was added in discussion section and sentence modified.

(3) Linguistic improvement was made.

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

Marija Gomerčić Palčić, MD
