**Name of Journal:** *World Journal of Orthopedics*

**ESPS Manuscript NO:** 19550

**Manuscript Type:** Minireviews

Dear editor

The responses for reviewers' recommendations are as follows;

- A native speaker friend has revised the language mistakes and shortcomings in the entire manuscript
- 3 more references added to the manuscript in order to address some comments and phrases that require appropriate references
- The full text for the abbreviation 'WBB' has been provided in the text
- A diagram of the Tokuehashi Classification has been provided in the text
- The phrase 'There is not enough information about radiotherapy for osteosarcoma in the literature [2,4].' has been removed from the text
