

Review Certificate

To whom it may concern:

This memo certifies that one of our clients had contracted our academic editing service for the following file (s).

Paper ID: 2015081209450681633

Title of the paper: Innate immune recognition of Hepatitis B virus

Date of the review: Agu.20th, 2015

The English review was conducted using a two-stage process in which a junior editor first reviewed the files, after which a final and more thorough review was conducted by a senior editor. All our editors are native English speakers.

We would like to emphasize that our service is targeted on grammar and language edits. We do not rewrite the documents from scratch. If you feel certain points are incorrect, please direct our attention by contacting: paper_trans@163.com

The tracked version is attached with this certificate for your reference.

Signature of the editor representative:

A blue circular stamp with the text "Paper Trans Online" around the top edge and "181-021-112270" around the bottom edge. In the center of the stamp is a logo featuring a stylized house or building. Overlaid on the stamp is a handwritten signature in black ink that reads "Tony Hall".
