

August 7, 2015

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 20649-edited.docx).

Title: Helicobacter pylori infection and gastric carcinoma: not all the strains and patients are alike

Author: Natale Figura, Luigi Marano, Elena Moretti, Antonio Ponzetto

Name of Journal: *World Journal of Gastrointestinal Oncology*

ESPS Manuscript NO: 20649

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

Reviewer 1

Comment 1:

The manuscript is written with comprehensive evaluation of literature on the requested topics. However, there is not a definite summary of the content of the paper in general. Some minor changes should be made.

Response:

The manuscript has been carefully checked to eliminate possible grammatical or spelling errors and to conform to correct scientific English. A definite summary of the content of the paper in general has been added as reshaped abstract.

4 The english language has been improved by Anya Maslack, B.A. Mt. Holyoke College, Massachusetts, U.S.A., a Native Speaker of English

Thank you again for publishing our manuscript in the *World Journal of Gastrointestinal Oncology*.

Sincerely yours,

A handwritten signature in black ink on a light-colored background. The signature is written in a cursive style and appears to read "Natale Figura".
