Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 2096-review.doc).

Title: Past, present and future of primary systemic treatment in breast cancer

Author: Jose L. Alonso-Romero, Antonio Piñero-Madrone

Name of Journal: *World Journal of Obstetrics and Gynecology*

ESPS Manuscript NO: 2096

The manuscript has been improved according to the suggestions of reviewers:

1 Changes have been made in the text according the reviewers' suggestions:

- (1) postal code
- (2) author contributions
- (3) detailed address
- (4) telephone number codes
- (5) key words
- (6) all reference numbers have been reformat in the text
- (7) the paragraphs' marks have been changed according to the suggestions
- (8) authors' names have been added in the table's references

2 References and typesetting were corrected according to the suggestions as well: all authors have been listed and PMID have been added. DOI has been added to each reference in the cases it has been found. In the three references that neither PMID nor DOI have been found (abstracts from congresses or meetings presentations), a scanned copy has been sent.

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,
